

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

P R E F A C E.

THE great changes which have lately been made in the Municipal Institutions of Upper Canada, and the extension of the Municipal system, suggested the propriety and necessity of collecting and publishing, in a compact form, the various Acts and parts of Parliament, in force in the Province, relating to those Institutions. These, scattered over several volumes of the Statute Book, were not at all times to be found by parties wishing to consult them, and, even when accessible, they were not in a convenient form for reference. Accordingly, in May, 1850, the *Municipal Manual* was published, in which these Acts, carefully collected together, were presented in a form at once cheap and convenient. The *Municipal Manual* having met with due favour, the foundation was thus laid, for issuing a Second Edition with a Supplement, embodying such Amendments of the Acts as have since taken place, such additional Acts as have since been passed, in reference to Municipal affairs of Upper Canada; to which have been added a few other Acts of importance of older date.

The Subscriber has now the satisfaction of issuing the Second Edition with Supplement. He trusts that the entire work will prove of essential service, in rendering the community familiar with the Municipal laws of Upper Canada, and the mode of putting them beneficially and legally into execution.

The first part of the Work comprises a List of the Counties and Unions of Counties of Upper Canada, at present existing; from which it will be seen, that since the passing of the Counties' Division Act, two Junior Counties have been detached from their Unions, and now form separate and distinct organizations.

The *Municipal Manual* and the *Supplement* can be purchased separately, or both together.

HUGH SCOBIE.

ACT 12 VIC., CAP. 81.

An Act to provide, by one general law, for the erection of Municipal Corporations, and the establishment of Regulations of Police, in and for the several Counties, Cities, Towns, Townships and Villages in Upper Canada.

[30th May, 1849.]

WHEREAS it will be of great public benefit and advantage Preamble. that provision should be made, by one general law, for the erection of Municipal Corporations and the establishment of Regulations of Police in and for the several Counties, Cities, Towns, Townships and Villages in Upper Canada: And whereas, with a view to this object, certain Acts of the Parliament of this Province, and certain others of the Parliament of the late Province of Upper Canada, have, by an Act passed during this present Session of Parliament been repealed: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower-Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, That this Act shall commence and have force and effect upon, from and after the first day of January, in the year of our Lord, one thousand eight hundred and fifty, and not before; excepting always such of its provisions as may require that any thing be done preparatory to the first elections to be held under it, which provisions shall be in force immediately upon, from and after the passing thereof.

CLXXIX. And be it enacted, That it shall be the duty of every Sheriff who shall receive a Writ of Execution against any Municipal Corporation created or to be created under the authority of this Act, if such Writ shall be endorsed with a direction to such Sheriff to levy the amount thereof by rate, to deliver a copy of such Writ of Execution and endorsement to the Chamberlain or Treasurer of such Municipal Corporation, or to leave such copy at the office, place of business or dwelling house of such Chamberlain or Treasurer, with a statement in writing of his fees, and the whole amount for principal, interest and costs required to be paid to satisfy such execution, calculated to the day of the service of such copy as aforesaid, or some day as near as conveniently may be to the same, and in case such amount, with interest thereon from the day mentioned in such statement, shall not be paid to such Sheriff within one calendar month after such service, it shall be the duty of such Sheriff to examine the adjusted and settled assessment rolls of such Municipal Corporation, on file in the office of the Clerk of such Corporation, and to strike a rate upon the same in like manner as rates may be struck by such Municipal Corporation for the general Municipal purposes of such Corporation, which rate shall be of a sufficient amount in

B. vs. The Township," (or as the case may be, adding a similar column for each execution if more than one,) and to insert therein the amount by such precept required to be levied upon each person respectively according to the requirements of such precept, and to levy and collect the amount of such Execution rate from such persons respectively, in the same manner as such general annual rate is by law directed to be levied and collected by such Collectors, and to return such precept with the amount so levied and collected thereon, after deducting his per centage therefrom, to such Sheriff within the same time as such Collectors are or shall by law be required to make the returns of the general annual rate aforesaid to the Chamberlain or Treasurer of such Municipal Corporation ; Provided always nevertheless, firstly, that any surplus that shall remain in the hands of such Sheriff upon any such precept or precepts, after satisfying such Execution, and all interest, costs and fees thereon, shall by such Sheriff be paid over to the Chamberlain or Treasurer of such Municipal Corporation within ten days after the same shall be so received by him, and be applicable to the general purposes of such Municipal Corporation as the surplus of any other rate : And provided also, secondly, that the Clerk of such Municipal Corporation, and the several Assessors and Collectors of such Corporation, shall, for all purposes in any way connected with the carrying into effect or permitting or assisting such Sheriff to carry into effect the provisions of this Act, with respect to the satisfaction of any such execution, be taken and deemed to be Officers of the Court out of which such Writ of Execution issued, and as such shall be amenable to such Court, and may be proceeded against by Attachment or otherwise to compel the performance of the duties hereby imposed upon them as any other Officers of such Court may by law be proceeded against for a similar purpose.

CLXXX. And be it enacted, That every such Municipal Corporation shall, annually, on or before the thirty-first day of January in each year, transmit to the Governor General of the Province, through the Provincial Secretary thereof, in such form as shall from time to time be prescribed for that purpose, by any order of the Governor in Council, an account of the several debts of such Corporation as they may have stood on the thirty-first day of December preceding, specifying in such account the original amount of every such debt of which a balance remained due at that day, the date when such debt was contracted, the day of payment, the amount of interest to be paid therefor, the amount of the rate provided for the redemption and satisfaction of such debt and interest, the proceeds of such rate for the year ending on such thirty-

MUNICIPAL ACTS, &c., REPEALED.

An Act to repeal the Acts in force in Upper-Canada, relative to the Establishment of Local and Municipal Authorities, and other matters of a like nature.

[30th May, 1849.]

Preamble.

WHEREAS it is expedient to repeal the several Acts in force in Upper-Canada, relating to the Incorporation of the Inhabitants of the several Districts of that part of this Province, and of certain other localities therein, the Election and duties of Township Officers, and other matters of a like nature, to the end that better provision may be made for such purposes: Be it therefore enacted, &c., That the several Acts of the Parliament of the late Province of Upper-Canada, and those of the Parliament of this Province set forth in the Schedule to this Act annexed marked A, and containing a description of the Acts and parts of Acts repealed by this Act, so far as the same shall be in force at the commencement of this Act, and all Acts continuing or making permanent any of the said Acts, or continued or made permanent by any of them, shall be, and the same are hereby repealed: Provided always, nevertheless, Firstly: That no Act or part of an Act repealed by any of the Acts hereby repealed, shall be revived by the passing of this Act, and no Act, or part of an Act, perpetuated or continued by any of the Acts hereby repealed, (except such as are herein expressly repealed), shall be repealed by the passing of this Act: And provided always, Secondly: That notwithstanding the repeal of the Acts and parts of Acts hereby repealed, all acts which might have been done, and all proceedings which might have been taken or prosecuted relating to any offences or neglects which may have been committed, or to any matters which shall have happened, or to any moneys which shall have become due, or to any fines or penalties which shall have been incurred before

The Acts and parts of Acts mentioned in the Schedule repealed with Act continuing them or continued by them.

Proviso: Acts not to be revived or repealed, &c., by the passing of this Act, by implication.

Proviso as to proceedings relative to offences and other matters occurring before this Act shall be in force, under the Act repealed.

the day on which this Act shall come into operation, shall and may still be done or prosecuted, and the offences and omissions may be dealt with and punished, and the moneys may be recovered and dealt with, and the fines and penalties may be imposed and applied as if the Acts, and parts of Acts, hereby repealed, continued in force, except only so far as the new Municipal Corporations to be created by and under the provisions of the Act of the present Session of Parliament to provide for the Incorporation of Townships, Counties, Villages, Towns and Cities in Upper-Canada, shall or may be substituted for the old ones.

Exception.

II. And in order that no doubt shall remain whether any or what part of any former Acts relating to the Incorporation of the Inhabitants of the several Districts of that part of this Province, and of the other localities therein, or the Election and duties of Township Officers, continue in force: Be it enacted, That all Acts and parts of Acts relating to the same, shall be, and the same are hereby repealed, so far as such Acts or parts of Acts shall be in force at the commencement of this Act, save and except such Acts or parts of Acts as are mentioned in the Schedule to this Act annexed, marked B, and save and except all other Acts made expressly for other purposes, although they incidentally touch on matters relating to such subjects, or although the provisions thereof are to be carried into effect by Officers elected or appointed under such Acts or parts of Acts, nevertheless, such matters and provisions last mentioned, so far as they are repugnant to, or inconsistent with the Act or Acts relating to such matters in force at the time, shall be, in all respects, controlled by such last mentioned Act or Acts, unless the contrary shall have been expressed in such last mentioned Act or Acts.

Recital.

III. And whereas certain Acts mentioned and set forth in the Schedules hereto annexed, to be hereby repealed either in the whole or in part, contain certain special provisions respecting assessments upon property in the Cities, Towns and Villages to which they respectively refer; and whereas such Acts or parts of Acts are not in the said Schedules excepted out of the repeal hereby intended under the expectation that a general Act will be passed during the present Session of Parliament for establishing a more just general system of assessment in Upper-Canada than that now in force therein, and it is therefore expedient to provide that in case such Act should not be so passed, the said provisions shall remain in force: Be it therefore enacted, That until such Act for a more just general system of assessment in Upper-Canada shall be passed, or other Legislative provision be made in that behalf, so much of the several Acts mentioned in the Schedules to this Act annexed as established provide for, or regulate the assessment or mode of assessment, or the property to be assessed in any of such Cities or the liberties thereof, or in any of such Towns or Villages, or any matter relating to the same, shall continue in force as if such Acts or parts of Acts had in the said Schedules been specially excepted from repeal; and all such Acts and parts of Acts shall extend and apply to every such City and the liberties thereof, and to every such Town and Village respectively, according to the extended or altered limits thereof as established by an Act of the present Session of Parliament, intituled, *An Act to provide by one general Law for the erection of Municipal Corporations, and the establishment of regulations of Police in and for the several Counties, Cities, Towns, Townships and Villages in Upper-Canada.*

Recital.

IV. And be it enacted, That this Act shall commence and have force and effect upon, from and after the first day of January, in the year of our Lord, one thousand eight hundred and fifty, and not before.

Commencement of this Act.

V. And be it enacted, That this Act may be amended, altered, or repealed by any Act to be passed in this present Session of Parliament.

Act may be amended, &c., this Session.

III. And be it enacted, That if any party who may be in the occupation of any tract or parcel of land, shall neglect or refuse to make or repair (as the case may be) an equal or just proportion of the Division or Line Fence between such tract or parcel of land and the adjoining tract or parcel of land, for a period of thirty days after being required by a demand in writing, by the party occupying such adjoining tract or parcel of land, or after the award of the Fence Viewers as aforesaid, to make or repair such equal or just proportion of the Division or Line Fence, or if the party making the demand shall for such period neglect or refuse to make or repair an equal or just proportion of the Division or Line Fence, it shall and may be lawful for either of the said parties, after first completing his own proportion of such Fence, to make or repair, in a substantial manner and of good sound materials, the whole or any part of the said Division or Line Fence, which ought to have been by the other party made or repaired, and to recover, in the manner herein-after mentioned, of the party who may have neglected or refused in manner aforesaid to make or repair such proportion of the Division or Line Fence, the just and full value of such proportion not exceeding the sum of two shillings and six pence per rod, to be ascertained and determined in the manner hereinafter provided: Provided always, that any Fence coming within the meaning and intent of the resolution adopted by the inhabitant householders and freeholders, at their last annual Township Meeting, shall be considered by all Fence Viewers to be a lawful Fence, and when no such resolution shall have been adopted, then and in that case it shall be lawful for such Fence Viewers, when called upon, to exercise their own judgment and decide what they consider to be a lawful Fence.

V. And be it enacted, That such Fence Viewers, upon being personally served at least four days previously with such summons, and any two of them being there then present, and after having duly examined the Fence and received evidence, which, if required by either party, and if the said Fence Viewers shall think it expedient, shall be given under oath, they or any two of them shall determine whether the said

VI. And be it enacted, That if either of the said parties shall desire to procure the attendance of any person or persons to give evidence before such Fence Viewers, it shall and may be lawful for the said Justice to issue, upon the application of either of the said parties, a Summons to any person or persons to attend as a witness or witnesses before the said Fence Viewers at the time and place mentioned in the said Summons to the Fence Viewers; and that the said Fence Viewers, when met as aforesaid at the time and place mentioned in the Summons, shall be and are hereby authorized, whenever it shall be desired by either party or they shall think it proper, to administer an oath to any witness, which oath shall be in the following form: "You do solemnly swear that you will true answer make to such questions as may be asked of you by either of the Fence Viewers now present, touching the matters which they are now to examine and determine: So help you God." IX. And be it enacted, That in no case shall any person be authorized to take away any part of the Division or Line Fence which to the said party may belong, adjoining to the next enclosure which is improved or occupied, unless the party or parties occupying the lands adjoining the same, refuse, after demand made in writing by the person or persons purposing to remove part of any Line Fence, to pay for the same as aforesaid; nor without first giving due notice to such party for at least twelve months previously to the removal of the same.

or Division Fences; and it shall be the duty of such Fence Viewers to whom such matters shall be referred, to divide or apportion such Ditch or Water Course among the several parties, in such way as in the opinion of such Fence Viewers shall be a just and equitable proportion having due regard to the interest each of the parties shall have in the opening of such Ditch or Water Course; and the Fence Viewers at the same time decide what length of time shall be allowed to each of the said parties to open his share of such Ditch or Water Course; and the determination or award of such Fence Viewers shall be made in the same manner, and have the same effect in regard to Ditches or Water Courses as is provided by this Act in regard to Division or Line Fences.

And be it enacted, That when it shall appear to such Fence Viewers that the owner or occupier of any tract or parcel of land is not sufficiently interested in the opening of such Ditch or Water Course to make him a party, and at the same time that it is necessary that such Ditch should be continued across his land by the other party or parties at his or their own expense, they may award the same in manner and form aforesaid; and upon such award, such party or parties may lawfully open such Ditch or Water Course across such land as aforesaid at his or their own expense, without being deemed to have committed a trespass by so doing.

XIV. And be it enacted, That if any party shall neglect or refuse upon demand made in writing as aforesaid, to open or make and keep open his share or proportion allotted or awarded to him by such Fence Viewers as aforesaid, within the time allowed by such Fence Viewers, either of the other parties may, after first completing his own share or proportion allotted to him in manner aforesaid, open the share or proportion allotted to such party neglecting or refusing to open the same, and such party so opening such other party's share shall be entitled to recover not more than the sum of two shillings per rod from the party so neglecting or refusing to open his share or proportion, in the same manner as is in this Act provided relative to Line and Division Fences.

XV. And be it enacted, That any party who may be in possession of any part of an allowance for road laid out as such in the rear of his lot, in the original survey of any Township in Upper Canada, the same being enclosed by a lawful Fence, and which road, from particular circumstances, may not be travelled or required to be used by the public for the time being, by reason of any other road or roads, being used in lieu thereof, or because the same has not been open for public travel, shall be deemed and taken to be legally possessed of that part of such road as against any other private party: Provided always, that in any such case the said possession shall cease and determine, upon an order from any two Justices of the Peace for the District in which such allowance for road may be situate, being made and directed to the proper Township Officer requiring him to open the same.

the year of our Lord one thousand eight hundred and fifty, by a By-law to be passed for that purpose, to dissolve all or any of the Unions of Townships formed or to be formed under the authority of the said third section of the said Act, and if they shall deem it expedient so to do to form such other Unions of the Townships within such Counties or Unions of Counties, as they may think most convenient for the accommodation of the people of such Townships: Provided always nevertheless, firstly, that it shall be lawful for any such Municipal Council, in forming such Unions, to attach together any two or more Townships lying within the same County, but not when they shall be within different Counties of such Unions of Counties: And provided also, secondly, that the Townships to be thus formed into any such Union shall together have had not less than one hundred freeholders and householders on the Collector's Rolls for the last year that the same shall have been respectively made up prior to the passing of such By-law: Provided also, thirdly, that every such By-law shall designate the order of seniority of the Townships forming every such Union of Townships, which shall in every such By-law be arranged (unless in the opinion of such Municipal Council, there may appear some special reason to arrange them otherwise) according to the relative number of freeholders and householders on such Collector's Rolls respectively, those having the greater number on such Rolls being placed senior to those having the less.

Preamble.

WHEREAS there are considerable amounts of Local Taxes, Rates and Assessments accrued in Upper Canada, between the years one thousand eight hundred and thirty-six and one thousand eight hundred and forty-nine, both inclusive, still remaining due and unpaid; And whereas difficulties have arisen and doubts exist as to whether the several Collectors appointed for such years respectively, can now legally enforce payment of such arrears, and it is but fair and just that the parties assessed and in arrear should be required to pay the Taxes due by them: Be it therefore declared and enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby

enacted by the authority of the same, That it shall and may be lawful for any Collector or Collectors in office during the present or any future year in the Town, Township or place in and for which he or they may be such Collector or Collectors respectively, to demand, collect, levy, sue for, recover and receive, in the same way and by such means as any Collector or Collectors may then lawfully use for collecting, levying and recovering Local Taxes in Upper Canada, all such arrears of Taxes, Rates and Assessments as became due between the years one thousand eight hundred and thirty-six and one thousand eight hundred and forty-nine, (both years inclusive) and which now remain due and unpaid.

Provided always, and be it enacted, That such Collectors as aforesaid, shall pay over the sums by them collected as aforesaid, to the Treasurer or other officer entitled to demand and receive the same, first deducting their lawful charges and allowances: and in default thereof, shall be subject to such penalties or legal proceedings as are provided by the laws of Upper Canada, with regard to Collectors failing to account for or pay over taxes due in the localities for which they are appointed.

WHEREAS in and by an Act passed in the Session held in the fourth and fifth years of Her Majesty's Reign, and intituled, *An Act to make temporary provision for the appropriation of the funds derived from the sale of School Lands, in that part of the Province formerly Upper Canada, and for other purposes*, as amended by an Act passed in the ninth year of Her Majesty's Reign, and intituled, *An Act to amend the Act therein mentioned, relating to the appropriation of Moneys derived from the sale of School Lands in Upper Canada*, it was, amongst other things, in effect enacted, That it should be lawful for the Governor in Council to authorize a sum not exceeding one hundred pounds per annum for each school, out of the moneys arising from the sale of the School Lands in the said first above cited Act mentioned, to be paid to the Board of Trustees for Grammar Schools in any District in Upper Canada, for the use and support of two other Schools than the one in the Town where the Court House is situated, in any Town, Township or Village within any of the Districts aforesaid, in which the inhabitants should provide a suitable School House, at which not less than thirty scholars should be educated, provided any such additional School should not be within six miles of the District Town ; and provided also, that nothing in the said first above cited Act should prevent the Governor in Council from extending such aid to four Grammar Schools, (including the said two,) other than the one established in the District Town, should it be deemed expedient : And whereas His Excellency the Governor General in Council did, on the twenty-ninth day of November, one thousand eight hundred and forty-eight, authorize the Board of Trustees for Grammar Schools in the Home District, to propose a grant of seventy-five pounds to each of the Villages of Streetsville, Whitby and Newmarket, within the said District, being distant, respectively, more than six miles from Toronto, the District Town, for aiding to support Masters of Grammar Schools, provided such Masters should be established in buildings permanently appropriated to such Schools during the year one thousand eight hundred and forty-nine : And whereas such a Master was established in each of the said Villages, in a building permanently appropriated to such a School, during the year one thousand eight hundred and forty-nine, but owing to the number of Scholars educated at each of the said Schools, during the said year, having been less than thirty, the above mentioned sums of seventy-five pounds cannot lawfully be paid to the said Board of Trustees for the use and support of the said Schools, but it is just and right, under the circumstances of the case, to enable the Governor General in Council to authorize the payment thereof : Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice, &c., That it shall and may be lawful for the Governor General in Council to authorize a sum of two hundred and twenty-five pounds, out of the moneys arising from the sale of the School Lands in the said first above cited Act mentioned, to be paid to the Board of Trustees for Grammar Schools, in the County of York, for the use and support of the three additional Grammar Schools above mentioned, for the year one thousand eight hundred and forty-nine ; anything in the said Acts, or in any other Act or law, to the contrary thereof in any wise notwithstanding.

XXXIV. And whereas many Townships, tracts or blocks of land in Upper-Canada were granted by the Crown to companies and individuals before any surveys were made therein, and such Townships, tracts or blocks of land were afterwards surveyed by the owners thereof: Be it therefore enacted, That all such Surveys of such Townships, tracts or blocks of land in Upper-Canada, shall be and the same are hereby declared to be original surveys thereof, and to have the same force and effect as though the said original surveys and plans thereof had been made by the authority aforesaid; and all allowances for roads or commons which have been surveyed in such Townships, tracts or blocks of land, and laid down on the plans thereof, shall be and the same are hereby declared to be public highways and commons: and all lines which have been run and marked in such original surveys, and all posts or monuments which have been planted or placed in such original surveys, to designate and define any allowances for road, concession or concessions, lot or lots of land, common or commons, shall be and the same are hereby declared to be the true and unalterable lines and boundaries of all such allowances for road, common or commons, lot or lots of land, and all land Surveyors, when employed to make surveys in such Townships, tracts or blocks of land, are hereby required to follow and pursue the same rules and regulations in respect of such Townships, tracts or blocks of land, and the original surveys thereof, as is by law required of them to follow and pursue in all Townships, tracts or blocks of land which have been surveyed by the authority aforesaid.

Governing lines declared, U. C.

XXXV. And be it enacted, That the course of the boundary line of each and every concession, on that side from which the lots are numbered, shall be and the same is hereby declared to be the course of the division or side-lines throughout the several townships or concessions in Upper-Canada, respectively, provided always, that such division or side-lines were intended, in the original survey performed under such competent authority as aforesaid, to run parallel to the said boundary; and all Surveyors shall and are hereby required to run all division or side-lines, which they may be called upon by the owner or owners of any lands to survey, so as to correspond with and be parallel to that boundary line of the concession in which such lands are situate, from whence the lots are numbered as aforesaid, provided always, as aforesaid, that such division or side lines were intended, in the original survey performed under such competent authority as aforesaid, to run parallel to the said boundary; Provided also, that when that end of a concession, from which the lots are numbered, is bounded by a lake or river, or other natural boundary, or when it has not been run in the original survey performed under such competent authority as aforesaid, or when the course of the division or side-lines of the lots therein was not intended in the original survey performed as aforesaid, to run parallel to such Boundary, the said division or side-lines shall run parallel to the boundary line at the other extremity of such concession, provided their course was intended, in the original survey performed as aforesaid, to be parallel thereto, and that such boundary line was run in the original survey; Provided further, that when in the original survey, per-

formed under such competent authority as aforesaid, the course of the division or side-lines in any concession was not intended to be parallel to the boundary line at either end of such Concession, they shall be run at such angle with the course of the boundary line at that end of the said concession from which the lots are numbered, as is stated in the plan and field-notes of the original survey, of record in the office of the Commissioner of Crown Lands of this Province, provided such line was run in the original survey as aforesaid, or with the course of the boundary line at the other extremity of the said concession, if the boundary at that end of the concession from which the lots are numbered was not run in the original survey as aforesaid; or if neither of the aforesaid boundaries of the concession were run in the original survey, or if it be bounded at each end by a lake or river or other natural boundary, then at such angle with the course of the line in front of the said concession, as is stated in the plan and field-notes as aforesaid: Provided nevertheless, that if any division or side-line between lots, or proof-line intended to be parallel to the division or side-lines between lots, shall have been drawn in any such concession in the original survey thereof, the division or side-lines between the lots therein shall be drawn parallel to such division or side-line or proof-line; and when two or more such division or side-lines or proof-lines have been drawn in the original survey of such concession, that division or side-line or proof-line which is nearest to the boundary of the concession from which the lots are numbered, and shall govern the course of the division or side-lines of all the lots in such concession between the boundary of the concession from which the lots are numbered and the next division or side-line or proof-line drawn in the original survey, which shall govern the course of the division or side-lines of all the lots up to the next division or side-line or proof-line drawn in the original survey; or to the boundary of the concession towards which the lots are numbered, as the case may be: Provided further, that in all those townships in Upper-Canada, which in the original survey have been divided into sections, agreeably to an Order in Council bearing date the twenty-seventh day of March, one thousand eight hundred and twenty-nine, the division or side-lines in all concessions in any section shall be governed by the boundary lines of such section, in like manner as the division or side-lines in townships originally surveyed before the said day are governed by the boundary lines of the concession in which the lots are situate.

XXXVI. And be it enacted, That the front of each concession in any Township in Upper-Canada, where only a single row of posts has been planted on the concession lines, and the lands have been described in whole lots, shall be considered to be, and the same is hereby declared to be that end or boundary of such concession which is nearest to the boundary of the township from which the several concessions thereof are numbered: Provided always, that in those townships in Upper-Canada, which are bounded in front by a river or lake where no posts or other boundaries were planted in the original survey on the bank of such river or lake to regulate the width in front of the lots in the broken front concessions, the division or side-lines of the lots in such broken front concessions shall be drawn from the posts or other boundaries on the concession line in rear thereof, parallel to the governing line determined as aforesaid to the river or lake in front: Provided also, that when the line in front of any such concession has not been run in the original survey, the division or side-lines of the lots in such concession shall be run from the original posts or monuments placed or planted on the rear line thereof parallel to the governing line determined as aforesaid to the depth of the concession—that is, to the centre of the space contained between the lines in front of the adjacent concessions, if the

concessions were intended in the original survey to be of an equal depth, or if they were not so intended, then to the proportionate depth intended in the original survey, as shewn on the plan and field-notes thereof of record in the Office of the Commissioner of Crown Lands of this Province, having due respect to any allowance for a road or roads made in the original survey; and that a straight line joining the extremities of the division or side-lines of any lot in such concession drawn as aforesaid, shall be the true boundary of that end of the lot which has not been run in the original survey.

Fronts of concessions in certain other cases; depths of lots, &c. U. C.

XXXVII. And be it enacted, That in those Townships in Upper-Canada in which the concessions have been surveyed with double fronts, that is, with posts or monuments planted on both sides of the allowances for roads between the concessions, and the lands shall have been described in half lots, the division or side-lines shall be drawn from the posts at both ends to the centre of the concession, and each end of such concession shall be, and the same is hereby declared to be the front of its respective half of such concession, and that a straight line joining the extremities of the division or side-lines of any half lot in such concession, drawn as aforesaid, shall be the true boundary of that end of the half lot which has not been bounded in the original survey.

As to concessions in cases where alternate concession lines only have been run. U. C.

XXXVIII. And be it enacted, That in those Townships in Upper-Canada in which each alternate concession line only has been run in the original survey, but with double fronts as aforesaid, the division or side-lines shall be drawn from the posts or monuments on each side of such alternate concession lines to the depth of a concession, that is to the centre of the space contained between such alternate concession-lines, if the concessions were intended in the original survey to be of an equal depth, or if they were not so intended, to the proportionate depth intended in the original survey, as shewn on the plan and field-notes thereof of record in the office of the Commissioner of Crown Lands of this Province; and each alternate concession line as aforesaid shall be and the same is hereby declared to be the front of each of the two concessions abutting thereon.

Rule when a line is to be drawn parallel to a governing line. U. C.

XXXIX. And be it enacted, That every Land Surveyor, when and as often as he is employed in Upper-Canada to run any division-line or side-line between lots, or any line required to run parallel to any division-line or side-line in the concession in which the land to be surveyed lies, shall, if it has not been done before, or if it has been done, but the course cannot at such time be ascertained, determine by astronomical observation the true course of a straight line between the front and rear ends of the governing boundary line of the concession or section, and shall run such division-line or side-line as aforesaid, truly parallel to such straight line, if so intended in the original survey, or at such angle therewith as is stated in the plan and field notes as aforesaid, which shall be deemed to be the true course of the said governing or boundary line for all the purposes of this Act, although such governing or boundary-line as marked in the field be curved or deviate otherwise from a straight course; and the same rule shall be observed, if a line is to be run at any angle with a front line or other line, which may not be straight.

Case where the original post or monument cannot be found provided for. U. C.

XL. And be it enacted, That in all cases when any Land Surveyor shall be employed in Upper-Canada to run any side-line or limit between lots, and the original post or monument from which such line should commence cannot be found, he shall in every such case, obtain the best evidence that the nature of the case will admit of, respecting such side-line, post or limit; but if the same cannot be satisfactorily

ascertained, then the Surveyor shall measure the true distance between the nearest undisputed posts, limits or monuments, and divide such distance into such number of lots as the same contained in the original survey, assigning to each a breadth proportionate to that intended in such original survey, as shewn on the plan and field-notes thereof of record in the office of the Commissioner of Crown Lands of this Province; and if any portion of the line in front of the concession in which such lots are situate, or boundary of the Township in which such concessions are situate, intended in the original survey to be straight, shall be obliterated or lost, then the Surveyor shall run a straight line between the two nearest points or places where such line can be clearly and satisfactorily ascertained, and shall plant all such intermediate posts or monuments as he may be required to plant, in the line so ascertained, having due respect to any allowance for a road or roads, common or commons, set out in such original survey; and the limits of each lot so found shall be taken to be and are hereby declared to be, the true limits thereof; any law or usage to the contrary thereof in any wise notwithstanding.

XLI. And whereas many Towns and Villages in Upper-Canada have been surveyed and laid out by companies and individuals, and by different owners of the lands comprising the same, and lands have been sold therein according to the surveys and plans thereof: Be it therefore enacted, That all allowances for road, street or streets, common or commons, which have been surveyed in such Towns or Villages in Upper-Canada, and laid down on the plans thereof, and upon which lots of land fronting on or adjoining such allowances for road, street or streets, common or commons, have been sold to purchasers, shall be and the same are hereby declared to be public highways, streets and commons; and all lines which have been run, and the courses thereof given in the survey of such Towns and Villages, and laid down on the plans thereof, and all posts or monuments which have been placed or planted in the first survey of such Towns and Villages to designate or define any such allowances for road, street or streets, lot or lots, common or commons, shall be and the same are hereby declared to be the true and unalterable lines and boundaries of all such allowances for such road, street or streets, lot or lots, common or commons, in such Towns and Villages, respectively: Provided always, that no lot or lots of land in such Towns and Villages, shall be so laid out as to interfere with, obstruct, shut up, or compose any part of any allowance for road, common or commons, which was surveyed and reserved in the original survey of the Township or Townships wherein such Towns or Villages are or may be situate: Provided also, that any owner or owners of any such Towns and Villages, or the owner or owners of any original division thereof, shall have lawful right to amend or alter the first survey and plan of any such Town or Village, or any original particular division thereof, provided no lots of land have been sold fronting on or adjoining any street or streets, common or commons where such alteration is required to be made: Provided also, that from and after the passing of this Act, no such private survey shall be valid, unless performed by a duly authorized Surveyor.

XLII. And be it enacted, That the original owner or owners of the lands forming the site of any Town or Village in Upper-Canada, mentioned in the next preceding Section of this Act, or the agent or agents, heirs or other legal representatives of the original owner or owners of any such Town or Village, or any original division thereof, shall, within one year from and after the passing of this Act, make or cause to be made and deposited in the Registry Office of the County wherein such Town or Village is situate, a fair and correct plan or map of such Town

Duty of the Registrar in whose office any such plan shall be deposited. U. C.

XLIII. And be it enacted, That whenever any such plan or map of any such Town or Village, in Upper-Canada, or original division thereof, shall be made and deposited in the Registry Office of the County wherein the same shall be situate, it shall be the duty of the Registrar of such County to make a record of the same, and enter the day and year on which the same shall be deposited in his office; and for such service the said Registrar shall be entitled to charge the same fees, and no more, than are by law established for making a record of any other document, which is by law required to be entered of record in such office; and such Registrar shall thereupon keep a separate book for the registering of title deeds of lands situate in such Town or Village, in the same manner as is by law required for registering of title deeds for lands situate in Townships.

As to lands in adjoining concessions included in the same grant. U. C.

XLIV. And for avoiding all doubt as to the application of the foregoing enactments in the cases hereinafter mentioned: Be it declared and enacted, That in all cases where any Letters Patent of grant, or other Instrument, has issued for several lots or parcels of land in Upper-Canada, in concessions adjoining each other, the side-lines or limits of the lots or parcels of land therein mentioned and expressed, shall commence at the front angles of such lots or parcels of land respectively, and shall be run as hereinbefore provided, and shall not continue on in a straight line, through several concessions, unless the side-lines or limits, when

as aforesaid, shall intersect the corresponding post or monument in the front of the concession next in rear, that is to say, each such lot or parcel of land shall be surveyed and bounded according to the provisions of this Act, independently of the other lots or parcels mentioned in the same grant or instrument.

XLV. And be it enacted, That each and every Land Surveyor in Upper-Canada shall keep exact and regular journals and field-notes of all his surveys, and file them in the order of time in which the said surveys have been performed, and shall give copies thereof to the parties concerned when so required, for which he shall be allowed the sum of five shillings currency, for each copy, if the number of words therein do not exceed four hundred words, but if the number of words therein exceed four hundred, he shall be allowed six pence additional for every hundred words therein, over and above four hundred words.

Surveyors in U.C. to keep regular journals and field-notes, and furnish copies to parties interested.

XLVI. And be it enacted, That for better ascertaining the original limits of any lot, concession, range, township or tract of land in Upper-Canada, every Land Surveyor acting in that portion of this Province, shall be and he is hereby authorized and required to administer an oath or oaths to each and every person whom he may examine at any time concerning any boundary, post or monument, or any original land mark, line, limit or angle of any township, concession, range, lot or tract of land which such Surveyor may be employed to survey.

Surveyors in U.C. may administer oaths for certain purposes.

XLVII. And be it enacted, That all evidence to be taken by any Surveyor as aforesaid, in Upper-Canada, shall be reduced to writing, and shall be read over to the person giving the same and signed by such person, or if he cannot write, he shall acknowledge the same as correct before two witnesses, who shall sign the same with the Surveyor; and such evidence shall, and any document or plan prepared and sworn to as correct before a Justice of the Peace, by any Surveyor, with reference to any survey by him performed, may be filed and kept in the Registry Office of the County in which the lands to which it relates shall be situated, subject to be produced thereafter in evidence in any Court of Law or Equity within Upper-Canada; and for receiving and filing the same, the Registrar shall be entitled to one shilling and three pence currency; and the expense of filing the same shall be borne by the parties in the same manner as other expenses of the survey.

Evidence taken by Surveyors in U.C. to be reduced to writing and signed ; &c.

XLVIII. And be it enacted, That if any person shall, in any part of this Province, wilfully swear or affirm falsely concerning any matter with regard to which an oath may be required under this Act, such person shall be deemed guilty of wilful and corrupt perjury, and being thereof convicted before any competent Court shall be liable to be punished accordingly.

Wilful false swearing under this Act to be perjury.

XLIX. And be it enacted, That if any action of ejectment shall be brought against any person or persons, who, after any line or limit shall have been established according to this Act, in Upper-Canada, shall be found, in consequence of unskilful survey, to have improved on lands not his, her or their own, it shall and may be lawful for the Judge of Assize, before whom such action shall have been tried, to direct the Jury to assess such damages for the defendant or defendants for any loss he, she or they may sustain in consequence of any improvement made before the commencement of such action, and also to assess the value of the land to be recovered; and if a verdict shall be found for the plaintiff or plaintiffs, no Writ of Possession shall issue until such plaintiff or plaintiffs shall have tendered or paid the amount of such damages as aforesaid, or shall have offered to release the said land to the defendant, provided the said defendant should pay or tender to the plaintiff the value of the land so assessed, before the fourth day of the ensuing term.

As to cases in U.C. where from unskilful survey a party may have improved lands afterwards found to belong to his neighbour.

Plaintiff not to have costs in such cases from the time defendant offers to give up the lands on receiving the value of his improvements, stating the amount. Unless the Jury shall assess the improvements at less than the sum demanded. *Proviso;* that no proof of Plaintiff's Lessor's title be required.

L. And be it enacted, That from and after the passing of this Act, in all cases in which the Jury before whom any action of ejectment shall be tried in Upper-Canada, shall assess the damages for the defendant as provided in the next preceding section, for improvements made upon land not his own, in consequence of unskilful survey, and when it shall be satisfactorily made to appear that the defendant does not contest the plaintiff's action for any other purpose than to obtain the value of the improvements made upon the land previous to the alteration and establishing of the lines according to law, it shall and may be lawful for the Judge before whom such action shall be tried, to certify such fact upon the record, and thereupon the defendant shall be entitled to the costs of the defence, in the same manner as if the plaintiff had been non-suited on the trial, or a verdict rendered for the defendant; provided the defendant shall, at the time of entering into the consent rule, have given notice in writing to the lessor or lessors of the plaintiff in such ejectment, or to his Attorney named on the Writ or declaration of the amount claimed for such improvements, on payment of which amount the defendant or person in possession will surrender the possession to such lessor or lessors, and that the said defendant does not intend at the trial to contest the title of the lessor or lessors of the plaintiff; and if such notice shall on the trial be found not to have been given as aforesaid, or if the Jury shall assess for the defendant a less amount than that claimed in the notice, or shall find that the defendant has refused to surrender possession of the land claimed, after tender shall have been made of the amount claimed, then in any of such cases the Judge shall not certify, and the defendant shall not be entitled to the costs of the defence, but shall pay costs to the plaintiff; any thing herein contained to the contrary notwithstanding; Provided always, that upon the trial of any such cause no evidence shall be required to be produced in proof of the title of the lessor or lessors of the plaintiff.

THE IMPERIAL DUTY.

(VIDE ACT 13 & 14 VIC., CAP. 65, PAGES 185 to 188.)

EXTRACT FROM A CIRCULAR FROM THE INSPECTOR GENERAL'S
DEPARTMENT TO REVENUE INSPECTORS,

Dated 17th February, 1851.

Imperial Act, 14
Geo. III. cap. 88.

"Some doubts appearing to be entertained by the Revenue Inspectors and others as to what amount in Currency is to be taken by them for the duty of 36s. sterling, on each Tavern License imposed by the Imperial Act 14, Geo. 3, cap. 88.

I am directed to refer you to the 3rd clause of the Provincial Act, 3 & 4 Vic., cap. 93, regulating the Currency of this Province, by which it is provided "that nothing in this Act shall affect the meaning to be "affixed to the words "Sterling," "Sterling Money of Great Britain," or "other words of like import in any law in force in this Province, or any "part thereof, when this Act shall come into force, or in any contract or "agreement then made therein, but any such law, contract, or agreement

"shall be construed according to the intention of the Legislature, or of
"the parties who made the same, &c."

As at the time the Provincial Act above cited came into operation, the Act of the Imperial Parliament 3 Geo. 4, was in force in this Province, and 36s. sterling was then equivalent to 40s. currency, therefore this latter sum is the amount of duty to be exacted by you on each Tavern License, as imposed by the Imperial Act abovementioned; over and above which you are also to receive payment of such amount of additional duty as may be imposed by any Municipality, within the County or Counties in which you act.
